1' to discover an aspect of Rotary

What is The Rotarian Minute?

It is important for Rotarians to have a good general knowledge of Rotary and yet we find that this is not always the case.

There are many opportunities to improve that knowledge:

- District Training Seminars
- District Training Assemblies
- Conferences held in the Clubs
- ...

Unfortunately, only a limited number of participants take part in these various sessions.

The Rotarian Minute, published in pdf format, should be read at the beginning of each Club meeting by one member designated by the President.

Its purpose is to be short so it does not significantly affect the agenda of the meeting and ensures maximum attention from the participants.

Most often, this reading is followed by a discussion between the members in order to exchange on the subject treated.

The Rotarian Minute focuses on a variety of topics related to basic knowledge of Rotary.
